

INDIA DAY during All in Print China

All India Federation of Master Printers (AIFMP) celebrated India Day during All in Print China at Shanghai. It was for the first time that a procession of waving Indian flag was held in China. The enthusiasm amongst those present in this procession was great. H.E. Dy CGI, Mr. Dev Nair, President of AIFMP and Mr. A. K. Sinha, Directorate of Printing, Government of India were leading the procession and printers in their traditional dresses with National Flag in hand were making India proud.

During the occasion, Mr. Dev Nair said, "The objective of India day celebrations is to further strengthen cooperation between Indian and Chinese companies in printing sector by organizing B2B meeting between Chinese machinery manufacturers and suppliers of various international brands and Indian printers to exchange expertise and seek more avenues of business cooperation."
