PAMEX to host World Print & Communication Forum's meet and Conference for the first time!

Pamex, the International Exhibition on Printing & Allied Machinery Industries, is happening at Mumbai from **6-9 January 2020 at BEC, Mumbai**. The Show, organised by All India Federation of Master Printers (AIFMP) in association with Print-Packaging.com (P) Ltd., is proud and honoured to host WPCF board meeting and the 'Print Matters for the Future' conference, concurrently with the event.

Ravindra Joshi – President – AIFMP and Prof. Kamal Chopra- Chairman- PAMEX
with World Print & Communication Forum team

The World Print & Communication Forum is a collaborative platform for the world's major transnational and national printing to work together to promote the development and prosperity of the global printing industry. WPCF also facilitates and encourages communication with other parts of the print value chain to further develop the print and communication market through international and cross-industry collaboration and knowledge-sharing.

The Purpose of WPCF is -

- To promote the development and prosperity of the printing, graphic arts, communication and allied industries in all regions of the world.
- To improve the management of these industries with a view to their continuing and increasing prosperity.

- To provide a platform for exchange of information and cooperation between users and suppliers of technology and services and to jointly promote and develop other related activities.

The meeting, for the first time ever, will run concurrently with PAMEX 2020. Besides the Governing Council Meeting, the NAEP award ceremony will also be organized during the same period.
